

Delivering services for young people

Narmin Baghirova
Azerbaijan

John Smith Fellowship Programme 2011

AIMS

- **To create the conditions for physical, mental and moral development of youth and help them develop their abilities and skills**
- **To focus on the 5 Cs: Character, Confidence, Connection, Competence and Contribution**

CONTEXT

- **60% of population are children and youth**
- **Existence of national youth policy framework**

- **Low level of youth participation**
- **Lack of institutions providing youth services**
- **Disease and crime prevention**
- **High proportion of unemployed youth**

JSFP EXPERIENCE

- **Access to information**
- **Outreach work**
- **Social services**
- **Community development programmes**
- **Youth participation/volunteering**
- **Career guidance**
- **Inclusion of vulnerable groups**

OUTPUTS

- **Survey on youth attitudes**
- **Improved access to information**
- **Discussion process with key stakeholders**
- **Policy recommendations**
- **New regulations**

OBSTACLES

- **Ideological conservatism**
- **Weak relations between centre and regions**
- **Lack of ability to implement reforms**
- **Poor skill level of public service**

OUTCOMES

- **Community development**
- **Active engagement by young people**
- **Awareness-raising campaigns on youth policy**
- **Involvement of vulnerable groups**
- **Partnership between different stakeholders**

THANK YOU!
